DETAILED ACTION

1. The following is a Notice of Allowability in response to the Amendment received on 6 September 2005. Claims 1-29 remain pending in this application.

REASONS FOR ALLOWANCE

2. Claims 1-29 are allowed.
3. The following is an examiner's statement of reasons for allowance:

As per claim 1, the prior art of record taken alone or in combination fails to teach automatically tracking locations of a die-strip as it traverses through said back-end manufacturing process.

As per claim 14, the prior art of record taken alone or in combination fails to teach automatically traversing a die-strip through a plurality of integrated sub-stations of said back-end manufacturing process, wherein said traversing is performed in an in-line fashion through said sub-stations and wherein further said die-strip comprises a plurality of individual die and automatically updating a memory stored database with results obtained from said inspecting, said database storing information for each die of said die-strip.

As per claims 21 and 28, the prior art of record taken alone or in combination fails to teach a plurality of vision camera systems deployed within some of said plurality of integrated sub-stations for automatically identifying a code associated with said die-strip to determine a location of said die-strip and also for automatically examining a plurality of die on said die-strip for physical attributes thereof.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Oath/Declaration

4. The oath/declaration was received on 6 September 2005. This oath/declaration is acceptable.

Drawings

5. The corrected drawing was received on 6 September 2005. This drawing is acceptable.

Specification

6. The amendments to the specification were received on 6 September 2005.

These corrections are acceptable.

Conclusion

7. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
